

## GRAND FINALS - 3.8.16

### DIVISION ONE.

Timboon Lawn 1, Arthur Finch (S), Brett Mungean, Joe and Jean Clover defeated Camperdown 1, Fred Salmon (S), Harvey Robbins, David and Val Coverdale by 12 shots, 27/15, who couldn't repeat the feat of three years ago to continue Timboon Lawn's bridesmaid hoodoo, over the last few years, where they would go into the final top of the ladder and favourites, but just get pipped on the last end.

But not this year as they really showed their class in pressure bowling with just too many good bowls in the head. Arthur didn't have to convert many heads, but he showed his class by placing or tightening their position up and Camperdown had to play too many up shots to try and convert their 13 losing ends, which resulted in 4 penalty points on end 6 and 1 down in the replay. Camperdown then caught up to lead by 1 on end 11. But then they dropped 7 shots in the next two ends, which they never recovered from. Fred had a glimmer of hope after the 18<sup>th</sup> end when they were just 4 shots down, but Arthur's team drew some beautiful tight heads on the last 3 ends to runaway with the Pennant for 2016. ( Just as well because Arthur couldn't concentrate on his own mat until Timboon Lawn 2 finished their game on the mat next door.)

### DIVISION TWO.

Timboon Lawn 2, Jason Mungean (S), Bill Berry, George Fox, Pam Dwyer couldn't repeat their effort in the 2<sup>nd</sup> semi final as they went down by 3 shots 19/22 to Simpson 1, Lyndon Rogerson (S), Les Neale, Maria Seabrook, Murray Lucas on the last end when they were 19 all. Prior to that Simpson gained an early lead of 14 /5 at the halfway mark. Although Jason gave away 4 penalty points on end 9 (when he was 6 down on the head), they scored 2 shots on the replayed of that end. So it could have been worse. This event seemed to stir Timboon Lawn up because they scored 11 to 2 to make it 16 all on end 16. Both teams scored 3 each until that vital final end.

### DIVISION THREE.

Glenormiston 2, Glenn Heard (S), Jeanette Grinter, Liz Bowden, Margaret Daffy and Wiridjil 2, Ron Murrihy (S), Damian Smith, Carol Snijders, Margaret Smith played the most exciting final of the night, when they were tied at 19 all on end 21 and they had to play an extra end to decide who was to be the Division Three Pennant winners.

It was a game of stops and starts, where one team would get a go on for a few ends then their opposition would surge to the front. Wiridjil started

well leading 4/0 on end 3. Then Glenormiston won the next 4 ends to lead 9/4. After that Ron's team took over for 5 ends to lead 12/9. Glenn's girls scored 4 on the next 2 ends to be one up on end 14. End 15 was a tied and where no score was recorded. Wiridjil looked to have the game with a pair of 3's to lead 18/13 with 4 ends to go. Glenormiston scored 3 shots to 1 and needed 3 for a draw or 4 for a win on the last and they were holding on the 21<sup>st</sup> end but Ron hit the head and moved kitty to where Glenn had 3 bowls in the back corner, which tied it up. Now they had to toss to see who went first. When the skippers came to bowl Wiridjil were holding game. But Glenn with his last bowl hit their own bowl in for shot and win the title for his team.
