

MATCH COMMITTEE REPORT 2011-12

We had a very successful year with good numbers in our Association Events even though we had to do a lot of work to get them. We also had high numbers in our Open Events, 40 teams in the Mixed Fours and 34 in Maceys Pairs. Congratulations to all the winners and runners up in these events and thank you to all who played.

Congratulation to all our State Players who helped to bring back the Jack Gore Trophy to Victoria. Well done to those who won medals in their events.

We had a successful Summer and Winter Pennant with 21 teams in the Summer and 30 in the Winter this year. Congratulations to all the winners and runners up in these, and thanks to all who played and made it a successful season. Thank you to all who helped out during the season, especially those who help set up and pack away every Monday night of pennant.

The Ballarat and Echuca Tournaments were a great success. We came second to Ballarat by 3 points in the Ballarat Tournament and I believe this is the closest we have ever managed to come, and third overall in Echuca. Congratulations to all those who won medals at these tournaments.

Thank you to the Board Members for their year and also to Shane (for his organisation of the Tournaments) George and Gill for their work throughout the year on the Match Committee.
