

Murray Border I. B. B. Fin. Report G. M. 10th August
2014. and covering M.B.I.B.B.F. Tournament Sept. '14.

Firstly our meeting, held at Spatground Kangaroo Flat 10th August was well attended, a reply was received from Dept. of Justice accepting our Constitution with the inclusion of two additional rules expanding on our rules. which is now official.

Riverina Assoc. withdrew from the Tournament as they would not become incorporated, but a number of their players came on board and we formed another team under Heytesbury Assoc. name to save a bye, which worked very well, Central Murray Assoc. became Incorporated. The extra five minutes between games worked well and the 45 minutes for lunch was enough.

The Executive Committee wishes to thank everyone for making the weekend a very successful and enjoyable tournament. Special thanks to Shane Cashill for providing his computer and printer and a great program for the results, so quick and easy, also a very special "Thank you" to Teagan Keane for offering to do the Computer Work for the two days of our tournament and with a smile and efficiency plus, great job, very well done, thanks Teagan, finally "Thank you" Robert McCarabbe for transport the 10 mats & Bowls also. Indoor Bowls Wbool for the loan of mats, etc and to all the Warrnambool players for your help in setting up and packing up, I feel that, we all had a good enjoyable time, good effort, we came 4th overall, Heytesbury was too good overall. Thank you

Stanley J. Ross. V.P. MBIBBF in
Warrnambool. Delegate.
